

FINE FOODS ATTENDS AIM ITALIA CONFERENCE LONDON 2019 AND JOINS THE ROUNDTABLE ORGANIZED BY BORSA ITALIANA ON SUSTAINABILITY

Verdellino (BG), 18 October 2019

Fine Foods & Pharmaceuticals N.T.M. S.p.A., leading independent Italian company in the contract development and manufacturing organization (CDMO) of solid oral forms for the pharmaceutical and nutraceutical industries, will participate at AIM Italia Conference, London 2019, scheduled for Monday October the 21st, 2019

The Conference is organized by Borsa Italiana and is dedicated to companies listed on AIM Italia Market which will illustrate their future strategies and projects during one-to-one meetings, to mainly international investors and to the entire financial community.

President Marco Francesco Eigenmann, CEO Giorgio Ferraris and Investor Relations Manager Carlo Larghi will represent the Company.

Fine Foods Management will introduce mid-year financial statements that are increasing in all the main indicators, with revenues up by 18%, EBITDA by 19% and net profit by 15%, in addition to outlining the guidelines for the future growth. In particular, the Management will present the organic growth objectives sustained also thanks to the doubling of the production capacity due to the recent expansion of the two plants (Brembate for pharmaceuticals and Zingonia for nutraceuticals), and inorganic growth aimed at pursuing any opportunities in segments / markets adjacent to its business.

Giorgio Ferraris will also be one of the three protagonists of the roundtable: "The issues of sustainability as a strategic lever for growth and improving dialogue with the market", organized by Borsa Italiana on the subject of ESG (Environmental, Social, Governance), scheduled for the evening of October 21st at the Italian Embassy in London.

The roundtable, addressed to the audience of Italian companies listed on the AIM and to the STAR segment and moderated by Barbara Lunghi, Head of Primary Markets of Borsa Italiana, will be preceded by a discussion between Alessandra Franzosi, Head of Pension Funds and Asset Owners of Borsa Italiana and Prof. Maurizio Zollo, Professor of Strategy and Sustainability at the Imperial College of London, who has been involved in ESG topics for many years.

Giorgio Ferraris has been invited since Fine Foods is a Company that has made sustainability one of the distinctive features of its successful story, boasting for years the ISO 14001 and OHSAS 18001 certifications regarding environment and safety and recognizing to Human Resources a primary strategic role.

Fine Foods & Pharmaceuticals N.T.M. S.p.A.

The Investor Presentation will be available on the Fine Foods website www.finefoods.it, from October 21st, 2019, in the *Investor Relations* section.

Fine Foods & Pharmaceuticals N.T.M. S.p.A., founded in 1984, is the leading independent Italian company in the contract development and manufacturing organization (CDMO) of solid oral forms for the pharmaceutical and nutraceutical industries. The company is recognized on the market for its high-quality products and has long-term relationships with most of its customers (more than one hundred). It has more than 600 employees and has generated revenues for about 139 million euros with over 60 per cent of its sales volumes abroad in 2018.
